

INTERNSHIPS AVAILABLE

LEARN, EXPERIENCE, AND TAKE PART IN THE BIOTECHNOLOGY INDUSTRY!

Fannin Innovation Studio is hiring interns who want to:

- Gain hands-on experience with early-stage pharmaceutical and medical device commercialization
- Help advance the development of cutting edge biomedical technologies
- Thrive in the growing life sciences and biotechnology ecosystem in Houston

Who we are:

Fannin Innovation Studio is a life science and medical device development group located in Houston's Highland Village area. We manage and develop a rapidly growing portfolio of biomedical and device technologies.

Who we are looking for:

- Late-stage graduate or medical students, postdocs, clinical fellows, or engineering students
- Able to commit 10-20 hours/week for 3 months (stipend provided for those legally authorized to work in the U.S.A.)

Please see our website (www.fannininnovation.com/careers/) for additional information or email Ms. Serena Miggins at serena@fannininnovation.com for an application packet.
